J. P. GRANT,
Offy. Secy. to the Govt. of India.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,

THE 10TH JUNE, 1839.

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 10th June 1839 with the assent of the Right Hon'ble the Governor General of India which has been read and recorded.

Ordered that the Act be promulgated for general information.

ACT NO. XVI. OF 1839.

I. It is hereby enacted, that from the first day of January, in the year of Our Lord 1840, the following rules shall be in force for regulating the assessment and collection of the rents payable to Government in the settlements of Prince of Wales' Island, Singapore and Malacca.

II. And it is hereby enacted, that if any person, except as is provided in the last Section of this Act, shall hold or occupy any land within any of the settlements aforesaid, not under a grant or title from Government duly registered and which land has not been declared, by competent authority, free from assessment, such land shall be liable to assessment, and shall be assessed in such manner, at such rate, and under such conditions, as the Collector acting under the instructions of the Governor of Bengal, shall determine.

III. And it is hereby enacted, that if any person holding or occupying land in the manner set forth in the preceding section shall refuse to engage for or to remove from the land within one month from the date on which he shall be called upon by the Collector to enter into such engagement, or so to remove from it, by a written notice to be served personally, or at the residence of the owner or occupier, or to be stuck up on the premises, it shall be lawful for the said Collector to eject such person from the land so held or occupied, and to take and hold possession of the same on the part of Government, to be disposed of in such manner as the Governor of Bengal may direct. Provided that no person so holding or occupying land who has filed or shall file his claim to exemption from assessment thereon before the day and year aforesaid, shall be liable to be so called upon by the Collector until his claim shall have been determined by competent authority.

IV. And it is hereby enacted, that all Magistrates and Police Officers shall aid and assist the Collector and his Officers in the due exercise of the power of ejection conferred upon the said Collector by the foregoing Section, and any holder or occupier of land who shall resist or cause to be resisted the exercise of the said power, and any person who shall be aiding and abetting in such resistance, shall, on conviction before a Magistrate, be punished by fine not exceeding one thousand Rupees, or in default of payment of the fine, by imprisonment not exceeding six months.

V. And it is hereby enacted, that after the date on which this Act shall be in force in the settlements aforesaid, any person desirous of clearing and occupying waste and forest lands for the purposes of agriculture, shall make application to the Collector of Land Revenue, who is hereby authorised to measure and assess the land, and to grant a lease for the same, in such manner, and under such conditions, as the Governor of Bengal may from time to time prescribe. And if, by reason of the density of the jungle or other obstacles, it should be found impracticable to cause immediate measurement to be made of land so to be leased, it shall be competent to the Collector to issue

to such applicant a permit or written authority, of which the number, date, and all essential particulars shall be entered in a Register to be kept for that purpose, to clear and occupy such land, subject to the conditions, on which a lease would have been granted. And on all land occupied under any such permit so issued, it shall be lawful for the Collector to demand and enforce the payment of rent in like manner as if a regular lease had been granted. And the Collector shall, with all practicable despatch, cause all land so occupied to be measured, and after such measurement the permit shall be called in and cancelled, and in lieu thereof a lease shall be issued, the term of which shall commence from the date of the permit. Provided, however, that it shall not be competent to a Collector to grant any lease of lands for a term exceeding twenty years, renewable on such conditions as the Governor of Bengal may direct for a further period of thirty years.

VI. And it is hereby enacted, that upon granting any lease under the Provisions of the foregoing Section, the Collector shall require the applicant to set up good and solid landmarks by which the boundaries of the ground to be occupied by him shall be plainly defined; and such landmarks shall be set up to the satisfaction of the Collector to be certified by him on the back or other part of the lease, before the lease shall take effect, and it shall be a condition in every lease so granted that the lessee is to maintain all such landmarks in substantial repair. And if it shall be proved to the satisfaction of the Collector, that, notwithstanding this condition, such landmarks have not been kept in good repair, it shall be competent to the Collector to cause the proper repairs to be made, and to levy three times the cost of such repairs from the holder or occupier of the land, the amount to be levied by the process provided for the collection of rents. And the Collector or his Officers shall at all times have the right of free access to such land for the purpose of inspecting and directing the construction or repair of the landmarks; and any person resisting them in the exercise of this right or removing or defacing any landmark set up in conformity with the provisions of this Act, shall be punished in the manner provided in the IV. Section of this Act.

VII. And it is hereby enacted, that all applications to hold or occupy lands for a term exceeding that specified in Section V., for the purpose of erecting houses or other durable works on such lands beyond the limits of the principal towns in the settlements aforesaid, shall be forwarded by the Collector to the Governor of Bengal, who will grant or reject such applications as in his judgment may seem fit.

VIII. And it is hereby enacted, that every lease granted under the Provisions of this Act shall be signed by the Collector for the time being, and shall specify the name of the lease-holder, the quantity and boundaries of the land included in the lease, and the rate of rent to be paid per acre per annum: which particulars, together with any other conditions material to the rights of Government, and of the party obtaining the lease, shall be entered in a Register to be kept in the Collector's office for that purpose.

IX. And it is hereby enacted, that it shall be lawful for the Collector to accept on the part of Government any surrender of a grant or lease by the parties interested in the same for the purpose of subdividing the same, and to regrant or lease the same in parcels. Provided that no such subdivision shall be allowed, unless all arrears of rent under the original grant or lease are paid up, and provided that on no one portion of a grant or lease so subdivided shall a less rent than one rupee per annum be leviable.

X. *Clause First.*—And it is hereby enacted, that whenever the rent of any grant or lease from Government of land within any of the settlements aforesaid shall fall due, payment thereof shall be made by the holder or occupier of the land at the office of the Collector, or to such person as shall be authorized to receive the same, and on failure of such payment, the same may be recovered in the manner following.

Clause Second.—When an arrear of rent shall have become due, the Collector shall demand payment of it by a notice of demand, in writing, stating the amount of the arrear, and requiring payment of the same within fifteen days from the date of the service of the notice, and stating that in default of payment within the period specified, the amount of the arrear due, together with the costs of process, will be recovered under the powers of this Act.

Clause Third.—The notice of demand shall be served by the delivery thereof to any holder or occupier of the land, or by being left at his ordinary place of residence, or by being stuck up on the premises.

Clause Fourth.—For the service of the aforesaid notice one Rupee shall be charged, and shall be leviable, if not paid on demand, in the same manner as arrears of rent.

Clause Fifth.—Whenever an arrear of rent, shall be demanded in the manner above prescribed, and shall not be discharged, it shall be lawful for the Collector to issue an attachment and to seize by virtue of such attachment, as well the personal property of the holder or occupier as also any effects or any crops to whomsoever belonging which may be found upon the land on account of which the arrear may be due, and to bring the same to sale by public auction at the Collector's office or elsewhere, five days previous notice of such sale being stuck up at some conspicuous spot, and at the place where it is intended to bring the crop, or other property, to sale.

Clause Sixth.—The attachment shall be made by an Officer deputed for the purpose, who shall publicly notify the attachment, and shall set his seal on any property attached, and take an inventory thereof; and it shall be competent to the said Officer to require the assistance of the Police in case of resistance to his authority, or of any attempt to remove the crops or other property from the premises, or otherwise to defeat the process.

Clause Seventh.—For an attachment made in pursuance of the foregoing rules, whether a sale shall actually take place or not, two Rupees shall be charged, and shall be leviable, if not paid on demand, by the sale of a portion of the attached property.

Clause Eighth.—If an arrear of rent, due as aforesaid, cannot be recovered in manner aforesaid, and the arrear shall not be discharged within six months from the date of the notice of demand prescribed by the Second Clause of this Section, it shall be lawful for the Collector to bring to sale the land on account of which the arrear shall have been demanded, in the manner following.

Clause Ninth.—An advertisement shall be stuck up for not less than twenty days before the sale, in the Collector's Office, and in a Court of Justice situated near to the land specifying the description of the land, the name of the defaulter, the amount of the arrear, the time and place of the intended sale, and the conditions thereof. The sale shall be conducted by Public Auction, in the presence of the Collector, the highest bidder shall be declared the purchaser, and the proceeds of the sale, after deducting the arrear originally due to Government, with interest thereon at 12 per Cent. per annum, and any further arrear that may have accrued up to the day of sale, together with the costs incurred by the sale, or other lawful process, shall be paid over to the party or parties entitled. On payment of the purchase money, the purchaser shall receive from the Collector a title-deed corresponding in quality and conditions with the original grant or lease, and bearing on it all material specifications relating to the quantity and situation of the land, its boundaries, the rent demandable, the date from which its payment is to commence, and other necessary particulars; and the Collector shall forthwith put the purchaser in possession of the land so transferred, requiring for that purpose the aid of the Police, if needful. The Collector shall notify in the most public manner the result of the sale, the conveyance of the title and right, which were of the defaulter to the purchaser, and the cancellation of the original grant or lease, together with all leases, incumbrances or other interests derived therefrom. And any person wilfully and with fraudulent intent offering for sale, transfer, mortgage, or otherwise making use of any such grant or lease, or of any lease, incumbrance or other interest derived therefrom and which shall have been so declared to be cancelled, shall, on conviction before a Magistrate, be punished by a fine not exceeding five hundred rupees, or in default of payment of such fine, by imprisonment not exceeding four months. And any person resisting or obstructing the Collector or the Officers acting under his orders, whilst placing the purchaser in possession of land so sold for arrears of rent, shall be punished in the manner provided in Section IV. of this Act.

Clause Tenth.—It shall be lawful for the Collector before the payment of any surplus to deduct as part of the costs incurred by the sale two Rupees for the advertisement, and one per cent. on the net proceeds of the sale authorized by the foregoing Clause, to be carried to the credit of Government, for the purpose of meeting the expense of carrying the sale into effect.

Clause Eleventh.—Any person having an interest in any property liable to be sold as aforesaid, shall at any time previous to the sale thereof be enabled to prevent such sale by payment of the rent in arrear, together with interest and all legal expenses incurred to the Collector, who, upon such payment, shall desist from and withdraw all legal proceedings.

Clause Twelfth.—Provided, that the summary process authorized by any of the Clauses of this Section shall be held applicable only to arrears of rent which have become due within the period of one year prior to the execution of such process.

Clause Thirteenth.—Any person served with a notice of demand, or whose crop or personal property may have been seized under an attachment issued in manner aforesaid, who may dispute the justness of such demand or attachment, shall be at liberty, at any time before the sale of his crop or personal property, or, in the event of the land being advertised for sale, at any time before the sale thereof, to represent his objections to such demand, attachment or sale, to the Collector; and if the Collector shall, notwithstanding such objections, adhere to the demand, attachment, or sale, it shall be lawful for the said person to apply by petition for redress to any Civil Court competent to take cognizance of his complaint; and the Court, after hearing the Collector's answer, and making such further enquiry as may be necessary, during which the sale of any such crop, property, or land shall be stayed, shall pass judgment either for enforcing or staying the demand, and shall adjudge the costs and charges of the suit, or such portion thereof as may be just and proper, to be paid by the party cast.

Clause Fourteenth.—Provided, that in the case mentioned in the last Clause, no sale of crops, or of personal property, or of land, shall be stayed, unless the party disputing the justice of the demand or attachment shall, on presenting his petition to the Civil Court, deposit therein, or at the Collector's Office, the whole amount of the arrears of rent demanded, together with interest, and legal expenses incurred, or unless such party shall give substantial security to the satisfaction of the Civil Court for making good the award that may be ultimately passed in the case.

XI. Clause First.—And it is hereby enacted, that all mutations by act of party or by succession in titles to land, taking place after the first day of January in the year of our Lord 1840, shall be registered under the following rules.

Clause Second.—The party claiming by right of transfer or succession shall attend at the Collector's Office, either in person, or by his constituted agent, and shall make application for registering the mutation, producing the original grant or lease, together with the bill of sale or other deed of transfer, which must be made out in the English language, and according to a form which will be found in the Collector's Office, or, in case of successions, the Probate or Letters of Administration, together with the Original Will, if any, or a Copy thereof, after which notice of the mutation shall be registered, the date and other particulars of the transaction being entered in the Register in a clear and distinct form.

Clause Third.—No mutations of title to lands shall be registered until the Collector shall have satisfied himself that the boundaries of the lands have been distinctly defined by convenient and substantial landmarks. The parties whose title to lands may be so registered are required to maintain the landmarks laid down in a state of good and sufficient repair, so that they may be at all times available for the purpose of accurate ascertainment of the limits of each occupancy, and every holder or occupier of such lands, wilfully neglecting to maintain such landmarks in a sound and serviceable condition, shall forfeit a sum equal to three times the cost of the erection or repairs which may become necessary in consequence of such default, and which shall be undertaken by the Collector: the amount of the forfeiture to be levied in like manner as rents are to be collected under the provisions of this Act. And the holders or occupiers of such lands are required to admit free access to the

same by the officers of Government for the purpose of inspecting the landmarks, and of measuring and laying down boundaries, and any holder or occupier of land or other persons who shall obstruct or resist such officers shall be liable to the penalties prescribed in Section IV. of this Act.

Clause Fourth.—It shall be lawful for the Collector to demand and receive on the part of Government a fee to meet the charges attending the registry of 4 Rupees, and of 1 Rupee for inspecting the Register, and of two Rupees for granting a Certified Extract from the Register.

Clause Fifth.—The Registry of a mutation shall not of itself be taken to convey or establish any legal title to land, nor shall it be held to corroborate, qualify, or bar any rights which may come to be questioned judicially. But no deed whatsoever for the sale or transfer of land which may be executed after the first day of January in the year of our Lord 1840, shall be admitted to be valid by the Officers of Government, or be received in evidence as a legal instrument by any Court of Judicature, unless the same shall have been registered in the Collector's Office in the manner directed by this Section, nor shall any Probate or Letters of Administration be received as evidence of title to land until so registered.

XII. And it is hereby provided, that nothing in this Act contained shall apply to such cultivators and resident tenants of Malacca as hold their lands by prescription, subject only to a payment to Government of one-tenth part of the produce thereof, whether such payment be made in kind or in the form of a sum of money received by the Government in commutation of the payment in kind.

It being understood that Public Officers, in ignorance of the existence and nature of the Orphan Press Contract with Government, occasionally employ other Presses to the prejudice of the Orphan Institution, the General Management deem it expedient to publish, for general information, the following extract of a Letter from Mr. Secretary Prinsep, shewing that the Orphan Press has the exclusive privilege of Printing for Government.

" I am directed to acknowledge the receipt of your letter of the 6th instant, and in reply to state that it is by no means the intention of the Government to withdraw any part of its printing business from the Orphan School Establishment, or to allow Public Officers to give a preference to other Presses. On the contrary, the Vice President in Council has declared his readiness to enquire into every case in which other Establishments may be employed to the prejudice of the interests of the Orphan School, whenever such may fall under his notice or be made the subject of representation.

The Public are hereby informed, that in providing the Investment of the Behar and Benares Opium for the year 1837-38, the same precautions have been taken as those which have been observed during past Years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of Leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the Weight of the Behar Drug when packed at Behar and of the Benares, when repacked at the Presidency Godown, and a Statement of the average Weight of Five Chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

Fourteenth. Four Chests of Behar and Benares Opium which have been reserved from the provision of the two preceding years, will also be shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.
